

Saudi Elenex May30 to June 2

Written by CCTV Security

Tuesday, 26 April 2011 20:45 - Last Updated Wednesday, 05 September 2012 15:15

Saudi Elenex provides a place to get exposure for cutting-edge power transmission technologies. Power transmission, generations and distribution of electricity. Also high-powered face-to-face business meetings and contacts that will let your professionals network like never before. Take note of the security camera transmissions. To be held at Riyadh International Convention & Exhibition Center- RICEC, Riyadh, Ar Riyad, Saudi Arabia.
