

August 25 - 27, Qujiang International Conference & Exhibition Center, Xian, Shaanxi, China

The China Electronics Fair (CEF) is one of the largest and most complete exhibitions of new electronics and ICT industry in China. It attracts people from all over the world. This years show is expected to draw more than 400 exhibitors and more than 11,000 buyers and thousands more visitors. As usual a series of high-level seminars and conferences will be held, some by invitation only, others open to all attendees. The range of equipment and products shown at this fair is hard to describe but includes a little of just about everything you can conceive.
